

## 2019 Get Organized Event

May 4, 2019

### Helping the VOA Help the Homeless

For the 12th annual Get Organized Event, Utah Professional Organizers (UPO) will donate over 200+ hours to the Volunteers of America, Utah's Homeless Outreach Program (HOP).

Each year, HOP serves thousands of individuals living on the streets of SLC. The HOP team provides critically necessary supplies to the homeless where they are, whether it be coats and blankets in winter, or sunscreen and water in the summer.

UPO will organize HOP's supply warehouse and implement an easy retrieval system. The Homeless Outreach team will then have the supplies they need at their fingertips to better serve Utah's most vulnerable population.

Utah Professional Organizers are proud to help the VOA help the homeless.
